

### REMARKS/ARGUMENTS

The rejections presented in the Office Action dated July 13, 2007 (hereinafter Office Action) have been considered. Claims 1-18 and 24 remain pending in the application. Applicant appreciates the allowance of Claims 1-18. Reconsideration of the pending claims and allowance of the application in view of the present response is respectfully requested.

Claims 19-23 stand rejected under 35 U.S.C. §103(a) as being unpatentable over U.S. Patent No. 7,058,356 to Slotznick. Applicants respectfully traverse the rejections, but have cancelled Claims 19-23 without prejudice or disclaimer. Without acquiescence of the rejection or reasons therefor, the Applicants reserve the right to file continuing applications involving the original subject matter of the application, including that subject matter associated with original Claims 19-23.

Applicants have also added Claim 24. No new matter has been added, and Applicants submit that Claim 24 is also allowable based on the indicated allowability of Claims 1-18. Therefore Applicants respectfully submit that the present Application is in condition for allowance.

Authorization is given to charge Deposit Account No. 50-3581 (NOKM.087PA) any necessary fees for this filing. If the Examiner believes it necessary or helpful, the undersigned attorney of record invites the Examiner to contact the undersigned attorney to discuss any issues related to this case.

Respectfully submitted,
